this book integrates research and theoretical findings from multiple disciplines to present a holistic approach to conflict resolution it highlights the wide ranging and compelling relevance of conflict resolution studies by exploring the entire spectrum of applications in interpersonal relationships family and group functioning and national and international relations

includes entries for maps and atlases

from how many frames you need to shoot per second to capture that wow moment to where to focus on a bird with a big beak to get the best depth of field this book has it all for the wildlife photographer it is an impressive mix of technology with

just plain good advice for image taking and they discuss each point specifically for shooting wildlife because it is a totally unique type of photography the lighting and shutter speed for a macro flower shot is not the same that you'd need for a bird in flight or a kangaroo jumping across a field mix together this fantastic info with the many years of experience that the gerlachs have shooting and teaching and the absolutely jaw dropping images and you really do have a perfect storm for a book

as richly described in the various chapters of this book we see that clinics can act as a window to the functioning of law and the legal system clinics allow students and faculty to see how laws and the legal system are functioning for groups of people who otherwise likely would not be a part of the common experience of professors and their students poor people generally migrants and refugees women and children exploited by trafficking people with disabilities ethnic minorities prisoners and so on legal systems the world over tend to give less care and attention to the problems of the poor and other disempowered groups and such people usually lack access to well educated legal advocates to help them fight to make the legal system work for them through clinic cases students and faculty see the day today lives of people marginalized by the society see how the law affects and influences their lives and see how it serves or fails to serve them for law professors involved in clinical education such as the authors of this book heightened awareness of the law's operation for poor people adds another important perspective to the subjects of their research and work as commentators on the law students can also be inspired to select topics for research papers master or phd theses by exposure to problems in the law and legal system as it functions for their clients dall introduzione

a multidisciplinary index covering the journal literature of the arts and humanities it fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals
